Walking distances supplied by Lakeside Parents for Common Sense.

LAKESIDE PARENTS FOR COMMON SENSE

LET THEM FINISH WHERE THEY BELONG.

Two common-sense asks. One community.

01 Pause the east-side changes.

Table east-side boundary changes for this cycle. Protect the neighborhood connections our children count on.

02 Let current students stay.

Allow students who already attend a campus and live within 1.5 miles to finish there, especially at neighborhood elementary schools.
